Please Note:

- National Credential Reports must be submitted in conjunction with Jurisdictional Credential Reports annually in March.
- Failure to submit your National Report in March 2025 will prevent you from both receiving a 2025 - 2026 Credential Holder's Identification Card and attending 2025 - 2026 General Assemblies as a Jurisdictional Delegate.
- This link, [Credential Reports](#), or the QR Code, both powered by Planning Center, is now the only payment method available for making Credential Reports. Specifically, Givelify is no longer an acceptable form of payment. Planning Center includes multiple payment options, including credit card, debit card, and direct bank account draws.
- Questions regarding Jurisdictional and National Credential Reports should be directed as follows:
 - Pastor Samuel "Cisco" Duncan, IV, SW3 Treasurer, via e-mail at sw3finance@gmail.com
 - Missionary Charmaine Shellman, Women's Department Financial Secretary, via email at sw3finance@gmail.com
